

FOR DECISIONS THAT DESERVE MORE THAN A CHAT REPLY

Stop guessing. Start reasoning.

For people stuck on hard decisions, anyone tired of AI handing them a verdict instead of reasoning, and teachers who want to make critical thinking visible — Houses of Thought is the structured workspace your gut (and your chatbot) can't replace.

SECTION 04 — TRY IT ON A REAL DECISION

Pick a question you can't crack.

Create a free account and bring the decision you've been avoiding, the topic you're teaching next week, or the AI answer you don't quite trust.
